Require a GST receipt

Please note: Ticket sales will only be processed on receipt of this completed booking form and confirmation of payment.

Once your payment has been processed and acknowledged, your tickets will be allocated, but not posted to you until February 2012. The reason for the delay is that groups often wish to purchase additional tickets closer to the event, and this is impossible to accommodate once tickets have been forwarded. Delaying the processing of tickets will give us greater flexibility to fulfil everyone's requests. Please contact us if this is going to inconvenience your plans in any way.

Tickets sold out in a matter of weeks last year, and once again, enquiries have been brisk so we anticipate a strong demand. The tickets will be sold on a "first come first served" basis and allocated in the order that payment and booking forms are received.

Kind regards

Perry Hornby, Co-ordinator: Telephone +64 6 834 3917 or admin@napierinthecity.co.nz
