

## **NAPIER COURIER – NOV 2010**

One of the enjoyable aspects of working in the inner city is that it's a "happening place". The cruise ship season is upon us and it's refreshing to see passengers from different parts of the world enjoying what our fair city has to offer.

In addition, more new businesses have come to town:

Cape & Peninsula – Market Street

Stax – Emerson Street

Smith Sports Shoes - Emerson Street

Beija Flor – cnr. Tennyson & Hastings Streets

Candle Couture – Civic Court

The Authentic Indian Kitchen – Civic Court

GMK Restaurant – Marine Parade

At a recent celebratory ceremony Two *Spirit of Napier Awards* were presented by the mayor. These awards were introduced by Napier Inner City Marketing in 2002 to acknowledge people who have made a significant contribution to the development and direction of the inner city. This year's deserving recipients were:

### **EIT Hawke's Bay**

In recognition of the institute's significant impact in raising the region's profile, contributing to the economy and creating opportunities through the provision of a variety of educational programmes for the benefit of the wider community – locally, nationally and internationally.

### **Graham Edwards**

In recognition of his capable leadership of Napier Inner City Marketing and sustained commitment and dedication to enhancing the inner city's progress and future.
